Call for Poster Session contributions at the 27th CEEMAN Annual Conference

My Solution to Re-Connecting Business and Business Education
A Poster Session by Faculty for Faculty
Wednesday, 25 September 2019 at 17:00-19:00
Wrocław, Poland

We invite faculty members and researchers to showcase their work at the traditional CEEMAN Poster Session related to the overall theme of the 27th CEEMAN Annual Conference: “Re-Connecting Business and Business Education”, taking place on 25-27 September 2019 in Wrocław, Poland.

The goals of the poster session are:

(a) raising the visibility of new, emerging or proven, successful pedagogical innovations of faculty members at CEEMAN member and partner institutions
(b) promoting the exchange of new research findings and tools
(c) fostering networking among faculty members and researchers
(d) creating a new platform for publishing and disseminating research findings, teaching materials and solutions

We encourage you to submit your proposal for a poster presentation in one or several of the following subtracks:

1. Your teaching case study, which you have developed yourself and already use in your teaching practice;
2. Your research work, which may be a fundamental or applied research project, or alternately your concrete, new research findings which have a clear reference to their application in management/business teaching;
3. Your teaching tool & technique, which you have developed or adopted successfully in your course/program;
4. Your other experience, which you would like to present and is relevant to the conference theme.

The deadline for abstract submissions is 31 May 2019.

Visit our website for more information about the call for posters and the 27th CEEMAN Annual Conference.
